

INTRODUCING THE ALL NEW

SMART SUMMARY

FAST TRACK YOUR TRANSCRIPT SUMMARY PROCESS
(AND SAVOR THE TIME YOU SAVE!)

**NOW
AVAILABLE
WITH YOUR
ROUGH DRAFT
TRANSCRIPTS!**

INTRODUCING THE AI-GENERATED SUMMARY — NOW DELIVERED WITH YOUR CERTIFIED TRANSCRIPT!

Now, that's Genius!

Kickstart your case strategy and boost the efficiency of your transcript summarization process with Veritext Smart Summary!

Smart Summary is an AI-generated draft-style summarization of either the rough draft or official proceeding transcript delivered in an editable format — so that you can highlight key testimony and make it your own!

Start Summarizing Smarter!

- **SIMPLIFY YOUR SUMMARY PROCESS:**

Power up your productivity with a Smart Summary — conveniently provided with your transcript and accessible via MyVeritext.

- **FORMATTED FOR YOUR NEEDS:**

STANDARD: Prepared and delivered in a trial-style format including columns with transcript page-line references, subject statements, and draft summarization of the testimony.

FOR WORKERS' COMPENSATION: Formatted in a general Deponent/Employee structure with categorized topics like: background, employment history, history of work-related injuries, instant injury, health history, and more! Includes space for attorney analysis.

FOR INSURANCE: Prepared in a Client Status Report structure that includes a full synopsis of testimony and prompts for attorney analysis.

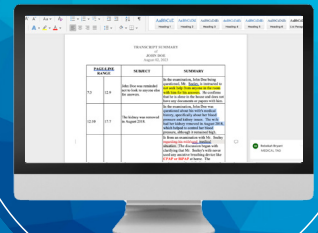

- **ASSURED SECURITY:**

Harness the power of AI without the fear of your confidential information being stored or used by open engines for training models. Rest assured that your data is private and safe.

- **EDIT WITH EASE —
MAKE THE COPY YOUR OWN:**

Delivered in a flexible Microsoft Word™ format that allows you to modify, highlight and shape summaries for your intended usage!

EDITABLE WORD™ FORMAT!
